DATE MAILED:

• Please find below and/or attached an Office communication concerning this application or proceeding.

**Commissioner for Patents**

The amendment to the claims filed on June 2, 2004 does not comply with the requirements of 37 CFR 1.121(c) because upon the filing of an RCE (and fee), any previously unentered amendment and amendments filed with the RCE and any amendments filed prior to the mailing of the mailing of the next office action are entered. Applicants response specifically requested entry of the amendments. Amendments to the claims filed on or after July 30, 2003 must comply with 37 CFR 1.121(c). The amendment filed June 2, 2004 does not amend the claims as set forth in the now entered after final amendment (mail date 2-3-2004) which states:

(c) *Claims*. Amendments to a claim must be made by rewriting the entire claim with all changes (e.g., additions and deletions) as indicated in this subsection, except when the claim is being canceled. Each amendment document that includes a change to an existing claim, cancellation of an existing claim or addition of a new claim, must include a complete listing of all claims ever presented, including the text of all pending and withdrawn claims, in the application. The claim listing, including the text of the claims, in the amendment document will serve to replace all prior versions of the claims, in the application. In the claim listing, the status of every claim must be indicated after its claim number by using one of the following identifiers in a parenthetical expression: (Original), (Currently amended), (Canceled), (Withdrawn), (Previously presented), (New), and (Not entered).

Since the reply filed on June 2, 2004 appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH** or **THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to submit an amendment in compliance with 37 CFR 1.121 in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
